

The 11th Annual Meeting of Burn Wound Association of Thailand 2026
“Sustainable in Burn and Wound Management 2026”
 March 25-27, 2026 at Sheraton Hua Hin

Wednesday, March 25, 2026

Time	The Chandelier Hall	
8.00-8.50	Registration	
8.50-9.00	Opening Ceremony	
9.00-9.30	The 8 th Chomchark Chuntrasakul Memorial Lecture Dr. Palakorn Surakunprapha Moderator: Prof. Pornprom Muangman	
9.30-10.00	Plenary Lecture 1: Evolution of Burn Care in Thailand: Past to Present and the Future Prof. Pornprom Muangman Moderator: Prof. Apichai Angspatt	
10.00-10.30	Coffee Break	
10.30-11.00	Plenary Lecture 2: Administrative and Policy Challenges in Malaysia in Burn and Wound Care System Dr. Harikrishna K.R. Nair (Malaysia) Moderator: Dr.Kusuma Chinaroonchai	
11.00-11.30	Plenary Lecture 3 : Burn Prompt Thailand : Digital Burn Network (เสวนา) Dr. Kitti Wongthavarawat Dr. Tanasit Kangkon Moderator: Dr. Pornthep Pungrasmi	
11.30-12.15	Lunch Sym1: (Supported by Smith & Nephew)	Lunch Sym2: (Supported by Molnlycke)
12.15-13.30	Lunch Buffet @ The Deck	
Time	The Chandelier Hall 1	The Chandelier Hall 2
13.30-14.30	S1: Acute Burn Care & Critical Management Moderator: Dr.Sittichoke Taweepraditpol	S2: Combat Injury Wounds Moderator: Dr. Pornthep Sirimahachaiyakul
	Inhalation Injury: Updated Diagnostics & Management Consensus Dr. Sunthiti Morakul	Joint Trauma System and Tactical Combat Casualty Care Dr. Kritsada Luangrungruang
	Automated Burn Shock in Burn Resuscitation Dr. Suprakit Prommawan	Combat Wounds Experience in Thailand-Myanmar Border Dr. Singha Konjara
	Early Mobilization and Rehabilitation of Critically Ill Burn Patients: The Production of Think Out of The Box Dr. Natthida Owattanapanich	Civilian High Energy Wound Dr. Amornpon Kanlerd
	Second Degree Burn Wound: Rethink with New Wound Classification Related Prognosis Dr. Kasem Puwiwattanangkura	
14.30-15.00	Coffee Break	
15.00-16.00	S3: Innovation Technology & Regenerative Medicine Moderator: Dr.Tanasit Kangkon	Workshop: B Bruan
	AI in Burn Care: Enhancing Assessment, Treatment and Outreach Dr.Kasama Nilprapha	
	Behind the Scenes of the Skin Bank-Transferring Hope and Making Miracles a Reality Dr. Chatpech Pornprasit	
	Innovative in Venous Leg Ulcer Management Prof. Nutthawut Sermsathanasawadi	
	Artificial Dermis in Reconstruction of Burn Wounds Dr. Kusuma Chinaroonchai	
17.30-21.00	Welcome Dinner @ Ocean Front Lawn	

Thursday, March 26, 2026

Time	The Chandelier Hall		
8.30-9.00	Plenary Lecture 4: Dhaka Burn Mass Casualty: Experience in Singapore Burn Dr. Si Jack Chong (Singapore) Moderator: Dr. Pornthep Pungrasmi		
9.00-9.30	Plenary Lecture 5: Ready to Respond for Managing Mass Burn Casualties Dr. Worawat Kaewwichian Moderator: Dr. Pornthep Sirimahachaiyakul		
Time	The Chandelier Hall 1	The Chandelier Hall 2	
9.30-10.30	S4: Reconstruction Strategies in Burn Moderator: Dr. Palakorn Surakunprapha	S5: Venous Leg Ulcer Masterclass: Dressing • Compression • Surgery Moderator: Prof. Nutthawut Sermsathanasawadi	
	One-Stage vs Two-Stage Reconstruction in Burns and Complex Wounds: A Case-Based Decision Guide Dr. Adrian Dragu (Germany)	Wound Dressing for Venous Leg Ulcer Dr. Trakarn Chaivanit	
	Free Flaps in Burn Reconstruction: When, Why and How? Dr. Pasu Promniyom	Compression for Venous Leg Ulcer Dr. Kanin Pruekprasert	
	Post Burn Reconstruction: an Important Part of Burn Care Dr. Kengkart Winaikosol	Surgical Treatment for Venous Leg Ulcer Dr. Wuttichai Saengprakai	
10.30-11.00	Coffee Break		
11.00-12.00	S6: Holistic After-Burn Care: Managing Pain, Pruritus, and Safe Discharge Moderator: Dr.Pornthep Sirimahachaiyakul	S7: Diabetic Foot Ulcer Masterclass: From Infection to Perfusion, Reconstruction & Offloading Moderator: Dr. Wuttichai Saengprakai	
	Optimizing Pain Control in Burn Injury Care Dr. Raviwon Atisook	Infection in DFU: Early recognition & Initial Management Dr. Napong Kitpanit	
	Managing Burn Pruritus: Approaches and Best Practices Khun Malee Pattanaratcharoen	Perfusion Map in DFU Before–After Revascularization: How to Interpret and Apply to Daily Practice? Dr. Saritphat Orrapin	
	Practical Discharge Planning for Burn Patients: From Ward to Home Khun Thanyaporn Malainak	Salvage Surgery in CLTI: When to Choose Flap vs Skin Graft vs Negative Pressure Therapy Dr. Wananya Phochai	
		Offloading Reimagined: Practical Offloading in Neuropathic and Charcot Foot with Diabetic Foot ulcer Dr. Gulapar Srisawasdi	
12.00-12.45	Lunch Sym3:	(Supported by Solventum)	Lunch Sym4: (Supported by Marmedical)
12.45-13.30	Lunch Buffet @ The Deck		
13.30-14.30	S8: Comprehensive Pressure Injury Moderator: Dr. Kasama Nilprapha	S9: Modern Dressing in Burn & Wound Moderator: Dr. Suttipong Tianwattanatada	
	From Prevention to Healing: CMU Guideline for Pressure Injury Management Dr. Siam Tongprasert	From TIME to TIMES : A Framework-Basic Approach to Wound Dressing Selection Dr. Apichaya Jindarak	
	30 Years of Experience Surgical Treatment in Pressure Injury in CMU Dr. Wimon Sirimaharaj	Wound Dressing and How to Choosing the right Dressing: Practical Decision-Making for Clinical Wound Management Dr. Saritphat Orrapin	
	Update in Pressure Injury and Nursing Care in Pressure Injury Khun Thamonwan Yodkolkit	Oxygen Therapy in Wound and Burn Dr. Kusuma Chinaronchai	
		Negative Pressure Wound Therapy Dr. Pornthep Sirimahachaiyakul	
14.30-14.45	ประชุมใหญ่สามัญประจำปี		
14.45-15.15	Coffee Break & Poster Presentation		
15.15-16.30	The Chandelier Hall 1	The Chandelier Hall 2	Grand Ballroom
	S10: Burn Rehabilitation Principle and Practice Moderator: Dr. Gulapar Srisawasdi	Workshop: การใช้ Digital Burn Network (รับจำกัด 60 ที่)	Workshop: Modern Dressing in Burn & Wound (14.45-17.15) (รับจำกัด 60 ที่) Moderator: Dr. Kusuma Chinaronchai
	Basic Pathophysiology and their Sequelae in Rehabilitation Perspective Dr.Pakorn Jessadavanis	Station 1: Dr. Tanasit Kangkon Dr. Kasama Nilprapha	Station 1: Dr.Suttipong Tianwattanatada Khun Suchada Kittidacha Khun Anchan Ketmek
	Rehabilitation Management in Burn Patient Dr. Monratta Pitakcharoen	Station 2: Dr. Suprakit Prommawan Dr. Rawin	Station 2: Dr. Saritphat Orrapin Dr. Wuttichai Saengprakai Khun Phunyada Napannaphat
Physical Therapy in Burn Patient (Include LASER in Scar Management) Khun Petchanok Sukpanpradid	Station 3: Dr. Kanyarat Olarachin	Station 3: Dr.Pornthep Sirimahachaiyakul Khun Jaraspas Wongviseskarn Khun Ananyaran Tiengtham	
	Occupational Therapy in Burn Patient (Include U/E Splint and Pressure Garment) Khun Bordin Chaiyo		

Friday, March 27, 2026

Time	The Chandelier Hall	
8.30-9.00	Plenary Lecture 6: Innovation in Burn Management: Bridging Technology and Clinical Practice in JMS Burn Center Dr. Bounthavy Homsombath (USA) Moderator: Prof. Pornprom Muangman	
Time	The Chandelier Hall 1	The Chandelier Hall 2
9.00-10.00	S11: Update Clinical Practice in Incontinence Associated Dermatitis (IAD) Moderator: Khun Anchan Ketmek	S12: Best Practice & Research (Present 8, Q&A 2) Moderator: Dr.Kengkart Winaikosol
	IAD Essentials and Mechanism Khun Prapai Aripayoon	The Epipisces (Bio Brand Equivalent) Trial, Mass Casualty Experience or Inhalational Burns Dr. Si Jack Chong (Singapore)
	IAD Assessment and Severity Classification Khun Wasana Kijpotchaneer	Virtual Reality Technology in Pain Management of Burn and Trauma Patients Dr. Papawee Sirimaharaj
	IAD Prevention and Management Khun Jaraspas Wongviseskarn	AI-Assisted System for Energy Requirement and Nutritional Status in Burn Patients Khun Panida Phromkhieo & Khun Saralee Mothong
10.00-10.30	Coffee Break	
10.30-12.00	S13: Experience in Burn Care Moderator: Khun Peeraporn Kampimoon	
	โรงพยาบาลราชบุรี Khun Kesinee Jenwitheesuk	
	โรงพยาบาลร้อยเอ็ด Khun Jutalux Kaewmafai	
	โรงพยาบาลมหาราชนครราชสีมา Khun Suraphan Chaungsoongneun	
12.00	โรงพยาบาลนพรัตนราชธานี Khun Nunthiporn Pakdeesrinarat	
	Closing	
12.05-14.00	Lunch Buffet @ The Deck	
เดินทางกลับบ้านโดยสวัสดิภาพ
