11.00-11.30	Plenary Lecture 3 : Burn Prompt Thailand : Digital Burn Network (เสวนา) Dr. Kitti Wongthavarawat Dr. Tanasit Kangkon Moderator: Dr. Pornthep Pungrasmi	
11.30-12.15	Lunch Sym1: (Supported by Smith & Nephew)	Lunch Sym2: (Supported by Molnlycke)
12.15-13.30	Lunch Buffet @ The Deck	
Time	The Chandelier Hall 1	The Chandelier Hall 2
13.30-14.30	S1: Acute Burn Care & Critical Management Moderator: Dr.Sittichoke Taweepraditpol	S2: Combat Injury Wounds Moderator: Dr. Pornthep Sirimahachaiyakul
	Inhalation Injury: Updated Diagnostics & Management Consensus Dr. Sunthiti Morakul	Joint Trauma System and Tactical Combat Casualty Care Dr. Kritisada Luangrungruang
	Automated Burn Shock in Burn Resuscitation Dr. Suprakit Prommawan	Combat Wounds Experience in Thailand-Myanmar Border Dr. Singha Konjara
	Early Mobilization and Rehabilitation of Critically Ill Burn Patients: The Production of Think Out of The Box Dr. Natthida Owattanapanich	Civilian High Energy Wound Dr. Amornpon Kanlerd
14.30-15.00	Coffee Break	
15.00-16.00	S3: Innovation Technology & Regenerative Medicine Moderator: Dr.Tanasit Kangkon	Workshop: B Bruan
	AI in Burn Care: Enhancing Assessment, Treatment and Outreach Dr.Kasama Nilprapha	
	Behind the Scenes of the Skin bank-transferring Hope and Making Miracles a Reality Dr. Chatpech Pornprasit	
	Innovative in Venous Leg Ulcer Management Prof. Nutthawut Sermathanasawadi	
17.30-21.00	Welcome Dinner @ Ocean Front Lawn	

Thursday, March 26, 2026

Time	The Chandelier Hall		
8.30-9.00	Plenary Lecture 4: Dhaka Burn Mass Casualty: Experience in Singapore Burn Dr. Si Jack Chong (Singapore) Moderator: Dr. Pornthep Pungrasmi		
9.00-9.30	Plenary Lecture 5: Ready to Respond for Managing Mass Burn Casualties Dr. Worawat Kaewwichian Moderator: Dr. Pornthep Sirimahachaiyakul		
Time	The Chandelier Hall 1	The Chandelier Hall 2	
9.30-10.30	S4: Reconstruction Strategies in Burn Moderator: Dr. Palakorn Surakunprapha One-Stage vs Two-Stage Reconstruction in Burns and Complex Wounds: A Case-Based Decision Guide Dr. Adrian Dragu (Germany) Free Flaps in Burn Reconstruction: When, Why and How? Dr. Pasu Promniyom Post Burn Reconstruction: an Important Part of Burn Care Dr. Kengkart Winaikosol	S5: Venous Leg Ulcer Masterclass: Dressing • Compression • Surgery Moderator: Prof. Nutthawut Sermsathanasawadi Wound Dressing for Venous Leg Ulcer Dr. Trakarn Chaivanit Compression for Venous Leg Ulcer Dr. Kanin Pruekprasert Surgical Treatment for Venous Leg Ulcer Dr. Wuttichai Saengprakai	
	10.30-11.00	Coffee Break	
11.00-12.00	S6: Holistic After-Burn Care: Managing Pain, Pruritus, and Safe Discharge Moderator: Dr. Pornthep Sirimahachaiyakul Optimizing Pain Control in Burn Injury Care Dr. Raviwon Atisook Managing Burn Pruritus: Approaches and Best Practices Khun Malee Pattanaratharoen Practical Discharge Planning for Burn Patients: From Ward to Home Khun Thanyaporn Malainak	S7: Diabetic Foot Ulcer Masterclass: From Infection to Perfusion, Reconstruction & Offloading Moderator: Dr. Wuttichai Saengprakai Infection in DFU: Early recognition & Initial Management Dr. Napong Kitpanit Perfusion Map in DFU Before-After Revascularization: How to Interpret and Apply to Daily Practice? Dr. Saritphat Orrapin Salvage Surgery in CLTI: When to Choose Flap vs Skin Graft vs Negative Pressure Therapy Dr. Wananya Phochai Offloading Reimagined: Practical Offloading in Neuropathic and Charcot Foot with Diabetic Foot ulcer Dr. Gulapar Srisawasdi	
	12.00-12.45	Lunch Sym3: (Supported by Solventum)	Lunch Sym4: (Supported by Marmedical)
12.45-13.30	Lunch Buffet @ The Deck		
13.30-14.30	S8: Comprehensive Pressure Injury Moderator: Dr. Kasama Nilprapha From Prevention to Healing: CMU Guideline for Pressure Injury Management Dr. Siam Tongprasert 30 Years of Experience Surgical Treatment in Pressure Injury in CMU Dr. Wimon Sirimaharaj Update in Pressure Injury and Nursing Care in Pressure Injury Khun Thamonwan Yodkolkkit	S9: Modern Dressing in Burn & Wound Moderator: Dr. Suttipong Tianwattanatada From TIME to TIMES : A Framework-Basic Approach to Wound Dressing Selection Dr. Apichaya Jindarak Wound Dressing and How to Choosing the right Dressing: Practical Decision-Making for Clinical Wound Management Dr. Saritphat Orrapin Oxygen Therapy in Wound and Burn Dr. Kusuma Chinaronchai Negative Pressure Wound Therapy Dr. Pornthep Sirimahachaiyakul	
	14.30-14.45	ประชุมใหญ่สามัญประจำปี	
14.45-15.15	Coffee Break & Poster Presentation		
Time	The Chandelier Hall 1	The Chandelier Hall 2	Grand Ballroom
15.15-16.30	S10: Burn Rehabilitation Principle and Practice Moderator: Dr. Gulapar Srisawasdi Basic Pathophysiology and their Sequelae in Rehabilitation Perspective Dr. Pakorn Jessadavanis Rehabilitation Management in Burn Patient Dr. Monratta Pitakcharoen Physical Therapy in Burn Patient (Include LASER in Scar Management) Khun Petchanok Sukpanpradid Occupational Therapy in Burn Patient (Include U/E Splint and Pressure Garment) Khun Bordin Chaiyo	Workshop: การใช้ Digital Burn Network (รับจำกัด 60 ที่) Station 1: Dr. Tanasit Kangkon Dr. Kasama Nilprapha Station 2: Dr. Suprakit Prommawan Dr. Rawin Khajornrungruang Station 3: Dr. Kanyarat Olarachin	Workshop: Modern Dressing in Burn & Wound (14.45-17.15) (รับจำกัด 60 ที่) Moderator: Dr. Kusuma Chinaronchai Station 1: Dr. Suttipong Tianwattanatada Khun Suchada Kittidacha Khun Anchan Ketmek Station 2: Dr. Saritphat Orrapin Dr. Wuttichai Saengprakai Khun Phunyada Napannaphat Station 3: Dr. Pornthep Sirimahachaiyakul Khun Jaraspas Wongviseskarn Khun Ananyaran Tiengtham

Friday, March 27, 2026

Time	The Chandelier Hall	
8.30-9.00	Plenary Lecture 6: Innovation in Burn Management: Bridging Technology and Clinical Practice in JMS Burn Center Dr. Bounthavy Homsombath (USA) Moderator: Prof. Pornprom Muangman	
Time	The Chandelier Hall 1	The Chandelier Hall 2
9.00-10.00	S11: Update Clinical Practice in Incontinence Associated Dermatitis(IAD) Moderator: Khun Anchan Ketmek	S12: Best Practice & Research (Present 8, Q&A 2) Moderator: Dr.Kengkart Winaikosol
	IAD Essentials and Mechanism Khun Prapai Aripayoon	The Epipisces (Bio Brand Equivalent) Trial, Mass Casualty Experience or Inhalational Burns Dr. Si Jack Chong (Singapore)
	IAD Assessment and Severity Classification Khun Wasana Kijpotchaneey IAD Prevention and Management Khun Jaraspas Wongviseskarn	Virtual Reality Technology in Pain Management of Burn and Trauma Patients Dr. Paphawee Sirimaharaj AI-Assisted System for Energy Requirement and Nutritional Status in Burn Patients Khun Panida Phromkhieo & Khun Pitchaya Khamrangsee Burn Care Mastery: Transforming Nursing Competency into Clinical Success Khun Orathai Pektanoo
10.00-10.30	Coffee Break	
10.30-12.00	S13: Experience in Burn Care Moderator: Khun Peeraporn Kampimoon	
	โรงพยาบาลราชบุรี Khun Kesinee Jenwitheesuk	
	โรงพยาบาลร้อยเอ็ด Khun Jutalux Kaewmafai	
	โรงพยาบาลมหาราชนครราชสีมา Khun Suraphan Chaungsoongneun	
โรงพยาบาลนพรัตนราชธานี Khun Nunthiporn Pakdeesrinarat		
12.00	Closing	
12.05-14.00	Lunch Buffet @ The Deck	
เดินทางกลับบ้านโดยสวัสดิภาพ
